April, 2010

Dear Community Partner:

The Fusion Futbol Club of Tampa Bay will be hosting its first annual Competitive Program Futbol Banquet on April 27, 2010 for our competitive players and coaches and their families. We would like to take this opportunity to solicit your support of youth soccer in the greater New Tampa and surrounding areas, by providing a donation of goods or services that will be included in a fundraising raffle at the banquet.

The generous support from community partners like you will help make the first annual Fusion Futbol Club banquet a success. Your donation will be listed in our banquet program, which will be distributed to the Fusion Futbol Club family. Additionally, if you have flyers or business cards that we can distribute please provide us a supply.

On behalf of the Fusion Futbol Club of Tampa Bay, thank you for your support!

Please feel free to provide your contributions to the Fusion representative in contact with you or send them by April 23rd to:
