

Fusion Futbol Club of Tampa Bay Recreational Academy U5 2010-2011

Fusion Futbol Club will be implementing a U5 Recreational Academy for the 2010-2011 season. This Academy format is supported by the Florida Youth Soccer Association and the US National Coaching Staff. The academy is available for all U5 recreational players.

The overall philosophy of the Academy is to develop the players first. Both in training and games the coaching staff will be focused on making a player more competent on the field, and *not* focused on winning and losing games.

In the Academy approach, there are no teams in the traditional sense. Each week players will train with groups that will help them develop certain skills and abilities. Players will be required to use the skills and concepts worked on in training to achieve those goals during the game. The activities will consist of about 30 minutes starting at 9:00 a.m. following with soccer games for about another 30 minutes.

The season will consist of the following dates and times:
